

Field Rules

These rules are for everyone's enjoyment. If you have any questions please ask a staff member for assistance. If you feel you cannot observe these rules do not play!

All players must sign a waiver before playing.

All players under 18 must have parent signature on waiver.

Dodge This Paintball provides field paint. This helps us keep our paintball prices low and our players' safe and field clean.

All guns must be chronographed to 300fps or less. Semi-auto only. All markers must have a trigger guard installed.

All guns must have a barrel condom (barrel plugs are not acceptable) installed while not on the field. If you loose your barrel plug, see a staff member and get a replacement.

No shooting over boundaries or in any public areas. Guns are to be fired in designated areas only. No blind shooting, shoot only at what you can see. Do not over shoot other players.

A mask approved for Paintball must be worn at all times while on the field. Removing your mask in the playing area will result in your ejection from the field, no refunds.

NO CLIMBING OF TREES, STRUCTURES, THROUGH WINDOWS, OR ON VEHICLES.

Fighting, Profanity or Verbal abuse will not be tolerated.

To be eliminated a ball must break and leave a mark on you or any equipment you carry (gun hits usually count). If you are eliminated call hit, raise your marker or hand over your head and leave the field. Install your barrel plug before you leave the field. Once you call hit or install your barrel plug you are eliminated and must exit the play area.

You may call for a paint check on your self or an opponent. You are not neutral unless a field judge calls you neutral. Do not advance or fire on a neutral player. The judge's calls are final and will not be reversed.

Alcohol or drugs are not permitted under any circumstances.

For your safety, Dodge This Paintball reserves the right to remove any unsafe players from the gamefield.
